**ROTATION PLAN  
FOR  
SUPERIOR COURT JUDGES

**I.     INTRODUCTION**

This rotation plan is adopted by the President Judge of the Superior Court after a consideration of the impact rotation will have upon the performance of the Court in each county. Rotation is desirable in order that: (a) members of the bar in each of the three counties have the opportunity to appear not only before judges of the Superior Court who are residents in the county of the practicing lawyer, but also those who are not residents in that county; and (b) the judges of the Superior Court obtain a fresh perspective from time to time by sitting in different counties.
